

Visitor Parking

Because the garage at 100 Congress is not able to accommodate visitor parking, SJBT has arranged for visitor parking in our adjoining building, the 101 Colorado Garage, located in the basement of the Ashton Apartments. A map to the garage is provided below.

The public entrance and exit of the garage is on Cesar Chavez. If you are visiting before 6 PM, take a ticket from the machine. We will validate this ticket before you leave our office. If you are visiting after 6 PM, tell the attendant that you are visiting SJBT and that SJBT will pay your parking; otherwise you will be required to pay the parking fee.

After parking, take the elevator to the ground floor of 101 Colorado. Exit the building and follow the walkway to 100 Congress. Check in at the security desk located in the lobby and they will grant you access to the 22nd Floor.

Be sure to bring your ticket with you so that the receptionist can validate it before you leave our office.
