6. Financial Data

A. *Assets.* On the attached page, please provide us with a list of all your assets with approximate values – those that will pass under the Will and those that will pass outside of the Will. Include securities, bonds, mutual funds, insurance policies, real estate, autos, boats, planes, livestock, tangibles, IRAs, pension plans, and all other assets. If there is a loan or mortgage against a property, indicate the amount. With respect to employment benefits, indicate the type of plan (i.e., pension, thrift, profit-sharing, government disability, retirement pay, teacher’s retirement, stock options, etc.) and the name, address, and phone number of an individual at the entity that administers the plan who can provide additional information, if needed. With respect to insurance policies, please list the issuer, type of policy (term, whole life, variable, universal), face value (death benefit), and cash value, if any.

Please indicate the manner in which bank accounts, deposit certificates, and securities are held or registered. Possibilities include: (1) your name, (2) your name and payable on death to another person, or (3) your name “in trust for” another person. Also indicate the beneficiary designations of life insurance, IRAs, pension benefits, and the like. All of these assets go outside of the Will to the persons named in the “contract” with the bank, broker, insurance company, etc. If not too inconvenient, provide us with copies of the actual “contract” – like a signature card, account agreement, beneficiary designation.

If you expect to inherit any property from a relative, please provide us with a general description, source, and approximate value.

If you are the beneficiary of a trust, are serving as a fiduciary (Trustee), have a life estate, or retain a general or special power of appointment, please provide us with copies of the underlying documents.

If you own an interest in a business or businesses (as a partner, sole proprietor, shareholder, etc.) please provide us with copies of the underlying documents along with general information relating to ownership, nature, and value of the business and any plans or arrangements relating to the disposition of a deceased owner (like a buy-sell agreement).
